

School Accountability Report Card Reported for School Year 2008-09 Published During 2009-10

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE [DataQuest](#) Web page that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index [API], Adequate Yearly Progress [AYP]), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2008-09)

The Palermo Union School District is comprised of six schools: Helen Wilcox (K-3), Honcut (K-2), Palermo (6-8), and two Community Day schools; K-7 and 5-8. The district encompasses a 75 square mile area located in Butte County in the northern Sacramento Valley. Palermo has an ongoing Memorandum of Understanding with Oroville for the placement of up to 12 Oroville "at risk" students in Community Day K-7 or 5-8. The school is funded through the Necessary Small School Funding program for "at risk" students. Each student has an Individualized Rehabilitation Plan with a required weekly counseling and community service component. Typically students are enrolled for one or two trimesters and are able to apply for re-admittance back into the traditional school setting.

Mission Statement

The Palermo Community Day School: K-7 is designed to meet the needs of students who are exhibiting behavioral, academic, and/or attendance problems. The intent of the program is to help students develop problem-solving skills

and more effective coping strategies that will result in a greater chance of success when they return to the regular school setting. CDS staffs maintain high expectations across the academic, social, and emotional domains, and will remain committed to developing increased resiliency within students.

Opportunities for Parental Involvement (School Year 2008-09)

Parents and guardians are given the opportunity to work in a mutually supportive and respectful partnership with the school to help their child succeed. Parents are welcome to volunteer in the classroom and for fundraising and community events. Parents and guardians may support their child's learning environment by monitoring school attendance and homework completion.

III. School Climate

School Safety Plan (School Year 2008-09)

In compliance with Ed Code 35329.6, the District Comprehensive Safety Plan/Emergency Management Plan is reviewed, updated and approved by the Governing Board annually by March 1. Each school maintains a copy of the Safety Plan on site and a copy of the site Emergency Conditions portion of the plan in each classroom. Key elements of the Safety Plan include: a plan of action for maintaining a safe and orderly environment conducive to learning at the school (ie: assessment of school safety, identification of strategies and programs that will maintain school safety and campus security) and emergency management procedures consistent with the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS) developed by the U.S. Department of Homeland Security.

Key elements of the site Emergency Conditions include: a plan of action for a coordinated school wide response to emergencies (i.e. intruder on campus, fire, emergency lockdown, evacuation, etc). Safety drills are held on a regular basis. Fire drills are held monthly. Earthquake/disaster and intruder drills are held twice a year. Visitors to the campus are required to sign in at the school office and wear a visitor's pass at all times.

Cleaning process: The district governing board has adopted cleaning and safety standards for all schools in the district. A summary of these standards is available at the school office or the district office. The Maintenance & Operations Supervisor works with custodial staff to develop cleaning schedules to ensure a clean and safe school. A Safety & Cleaning checklist for is used during school breaks (summer, Christmas, and Easter).

Deferred maintenance: The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components.

Maintenance projects for 2008-2009 included: general repairs and painting.

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics, and science in grades two through eleven, and for science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA and mathematics for grades three through eight and science in grade five and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the [CDE Standardized Testing and Reporting \(STAR\) Results Web site](#). Program information regarding the STAR Program can be found in the [Explaining 2008 STAR Program Summary Results to the Public guide](#). Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE [Academic Performance Index \(API\) Web page](#).

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from one to ten. A statewide rank of one means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of ten means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of one means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of ten means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2006	2007	2008
Statewide	B		
Similar Schools	B		

"N/A" means a number is not applicable or not available due to missing data.

"B" means this is either an LEA or an Alternative Schools Accountability Model (ASAM) school. Schools participating in the ASAM do not currently receive growth, target information, or statewide or similar schools rankings on this report in recognition of their markedly different educational missions and populations served. ASAM schools are covered under the Alternative Accountability system as required by Education Code Section 52052 and not the API accountability system. However, API information is needed to comply with the federal No Child Left Behind (NCLB) law. Growth, target and rank information are not applicable to LEAs.

"C" means this is a special education school. Statewide and similar schools ranks are not applicable to special education schools.

" * " means this API is calculated for a small school or a small LEA, defined as having between 11 and 99 valid STAR Program test scores included in the API. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted. Similar schools ranks are not calculated for small schools.

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent

API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			Growth API Score
	2006-07	2007-08	2008-09	2009
All Students at the School	N/A	N/A	N/A	N/A
African American	N/A	N/A	N/A	N/A
American Indian or Alaska Native	N/A	N/A	N/A	N/A
Asian	N/A	N/A	N/A	N/A
Filipino	N/A	N/A	N/A	N/A
Hispanic or Latino	N/A	N/A	N/A	N/A
Pacific Islander	N/A	N/A	N/A	N/A
White (not Hispanic)	N/A	N/A	N/A	N/A
Socioeconomically Disadvantaged	N/A	N/A	N/A	N/A
English Learners	N/A	N/A	N/A	N/A
Students with Disabilities	N/A	N/A	N/A	N/A

"N/A" means a number is not applicable or not available due to missing data.

*** means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2008 or 2009. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the [CDE Adequate Yearly Progress \(AYP\) Web page](#).

Adequate Yearly Progress Overall and by Criteria (School Year 2008-09)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District

Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	No
