### School Description

The Palermo Union School District is located approximately six miles south of Oroville, the county seat of Butte County. The District consists of six schools: Helen Wilcox (K-3) Honcut (K-2), Palermo (6-8), and two Community Day Schools, K-7 and 5-8. The total district enrollment is approximately 1,350 students. Honcut School, home of the Hornets, is a necessary small school located 22 miles south of Oroville. Enrollment is approximately 14.

The District operates a state pre-school on the Palermo School campus with an enrollment of approximately

98 children. Helen Wilcox houses a Child Development Center with an approximate enrollment of 18 preschoolers (3 to 5 years old), and 12 school age children. These two programs and Head Start in Oroville are feeder programs to Honcut School. District schools have an auxiliary support system that includes a music teacher, a school psychologist, a school nurse and a bilingual aide. Honcut has a multi-funded Title I, and EIA instructional aide for additional support. Most special education student's needs are met at the Honcut site. However, students may be transferred to Helen Wilcox School for a more comprehensive program if needed.

Honcut is unique in it's size and location. The school has been instrumental in implementing the Response to Intervention (RTI) Model as well as focus groups, front-loading, and after school tutoring.

## School Goals

All students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics by 2013-2014. Progress Indicators: STAR, AYP and API are monitored annually. Local assessments, both formative and summative are monitored weekly, each trimester, and at the end of the school year.

## Mission Statement

Honcut School is dedicated to preparing our students for the 21st century by providing each student with a quality education. We are committed to personalizing each student's program and instruction, regardless of complexity, to the best of their ability. Every opportunity is provided for each student to achieve his/her education. The process by which an individual develops mentally, physically, socially, culturally, and emotionally in his/her environment is a definition of education practiced by the staff.
