

School Accountability Report Card

Reported Using Data from the 2010–11 School Year

Published During 2011–12

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

Ed-Data Partnership Web Site

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2010–11)

School Description: The Palermo Union School District is comprised of six schools: Helen M Wilcox Elementary School (K-3), Honcut Elementary School (K-2), Golden Hills Elementary School (4-5), Palermo Middle School (6-8), and two Community Day Schools (K-7 and 5-8). The district is located in Butte County, in the northern part of California's Sacramento Valley.

Golden Hills Elementary School, built in 2006, is located four miles south of Oroville and has an enrollment of approximately 300 students. Golden Hills provides a Title 1 school-wide program (SWP) in addition to Reading Intervention, Math Intervention, GATE, English Learner, Special Education, Indian Education, Library and Music. Every classroom at Golden Hills is considered a smart room, equipped with technology which is used to reach all types of learners. This technology includes a bank of computers in each classroom and a mobile computer lab for each grade level as well as a projector, document camera, and sound system. In addition to technology, Golden Hills has a focus on increasing physical fitness for students with Olympics held at the end of the school year.

Golden Hills is implementing a Professional Learning Community (PLC) model and embraces Learning for All. The teaching staff and administrator have developed strategies to teach students of all ability levels including implementation of Response to Intervention (RTI), READ 180, leveled reading and leveled math classes with extra challenge for GATE students, and intervention blocks (including ELD).

School Goals: All students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics by 2013-2014. Progress Indicators: STAR, AYP and API are monitored annually. School wide SMART goals are developed

collaboratively by the teaching staff after analyzing the STAR, AYP and API. Local assessments, both formative and summative, are monitored weekly, each trimester, and at the end of the school year.

Mission: The Mission of Golden Hills Elementary School and the Palermo Union School District is to provide a variety of educational programs, in a safe and mutually respectful environment, that are: effective, accessible and equitable; prepare students for leadership, employment and citizenship; and promote students' intellectual, ethical, cultural, emotional, moral, social and physical growth. Golden Hills and the Palermo Union School District, together with students, families, and the community in a cooperative effort, will provide an excellent educational program to ensure that all students are successful life-long learners, in a safe, caring, moral, drug-free, and supportive environment, with the ultimate goal that they will become successful, productive, and responsible citizens.

Opportunities for Parental Involvement (School Year 2010–11)

Golden Hills benefits from an active Parent Teacher Group (PTG). The PTG works with the community on various fundraisers and supports student activities. Parents and guardians are given the opportunity to work in a mutually supportive and respectful partnership with the school to help their child succeed. Parents are encouraged to serve on the School Site Council (SSC). Parents of English Learners (EL students) are encouraged to serve on the English Learner Advisory Committee (ELAC). Parents and guardians can support their child's learning environment by monitoring school attendance and homework completion, participating in extracurricular activities, volunteering at school, attending SSC meetings, and by planning and participating in activities at home that are supportive of classroom activities.

III. School Climate

School Safety Plan (School Year 2010–11)

In compliance with Ed Code 35329.6, the District Comprehensive Safety Plan/Emergency Management Plan is reviewed, updated and approved by the Governing Board annually by March 1. Each school maintains a copy of the Safety Plan on site and a copy of the site Emergency Conditions portion of the plan in each classroom. Key elements of the Safety Plan include: a plan of action for maintaining a safe and orderly environment conducive to learning at the school (i.e.: assessment of school safety, identification of strategies and programs that will maintain school safety and campus security) and emergency management procedures consistent with the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS) developed by the U.S. Department of Homeland Security.

Key elements of the site Emergency Conditions include: a plan of action for a coordinated school wide response to emergencies (i.e. intruder on campus, fire, emergency lockdown, evacuation, etc). Safety drills are held on a regular basis. Fire drills are held monthly. Earthquake/disaster and intruder drills are held twice a year. All employees wear ID badges and visitors to the campus are required to sign in at the school office and wear a visitor's pass at all times.

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2011–12)

Facilities: Condition of school facilities meets Education Code Sections: 17014 Necessary repairs, renewals and replacements; enforcement; plan preparation certification; 17032.5 Portable classrooms; leases, conditions; 17010.75(a) Maintenance of facilities; and 17089(b) Lease of portable classrooms; amount; maintenance; repairs; costs.

Teaching and learning space: Golden Hills has 13 classrooms and a cafeteria built in 2006. A teacher workroom is located in the administration building. Student and staff rest rooms are adequately located throughout the campus and are kept clean and in good working order. Golden Hills maintains a playground area equipped with adequate playground equipment. Golden Hills also has the use of a 440 track.

Maintenance and repair: District maintenance staffs ensure that any necessary repairs are completed in a timely manner. A work order process is used to provide efficient service and ensure that emergency repairs are given the highest priority. Emergency facilities needs specified in Education Code Section 17592.72(c)(1)

Cleaning process: The district governing board has adopted cleaning and safety standards for all schools in the district. A summary of these standards is available at the school office or the district office. The Maintenance & Operations Supervisor works with custodial staff to develop cleaning schedules to ensure a clean and safe school. A Safety & Cleaning checklist is used during school breaks.

Deferred maintenance: The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components.

Maintenance projects in 2010-2011 included: Installed new swing set, put in additional drain lines, installed a new sports storage unit.

VIII. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)** includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE *API Web page* at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE *AYP Web page* at <http://www.cde.ca.gov/ta/ac/ay/>.

Federal Intervention Program (School Year 2011–12)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE *PI Status Determinations Web page*:
